We operate in a socially responsible way, and we do our best to inspire environmental stewardship. Please take a moment to review our responsible business requirements.

New Seasons Market is committed to creating positive change through good food, taking responsibility for the impact we make on the environment and on our communities. New Seasons Market’s commitment to environmental sustainability extends to our business partners, vendors, service providers, staff and production facilities. Our staff members are held to high standards of personal practices and environmental stewardship. We seek business partners and suppliers that consider the impact of their activities on human rights and the preservation of natural resources. At a minimum, vendor/suppliers should agree to and maintain compliance with all local laws and regulations including those related to social and environmental performance, and agree to ethics and anti-corruption policies.

By checking the box, I acknowledge that I understand and agree to the above statement.

Okay, you’re almost there, just one last thing! Please provide a letter of reference from a business advisor or current supplier you work with who values you and will detail some of the great work you do. They can send the letter directly to us at the address below or you can include it with your application.
